PINE BLUFF, Ark. (AP) — The attorney for Jim Bruton, former assistant prison superintendent in charge of Tucker Prison Farm and Jess Wilson, a former warden at the prison, has asked for a list of particulars of charges against them of excessive punishment of inmates.

The attorney is R. A. Ellibott Jr.

## Transfer of Agri School Is Sought

LITTLE ROCK (AP) — The Arkansas Senate tabled Thursday a resolution suggesting that the University of Arkansas College of Agriculture be transferred to Arkansas State University.

The resolution was introduced by Sen. Raymond "Chubby" Heern of Jonesboro, one of those instrumental in getting university status for Arkansas State last year.

It would have asked the state Commission on Coordination of Higher Educational Finance to study the feasibility of the transfer.

The resolution said the UA was located in Northwest Arkansas, which was "no longer an agricultural center of this state." It said the major agricultural activities of the state today were in Eastern Arkansas, and that the commission should determine whether a transfer of the college would benefit the agricultural economy of the state.

Sen. Clifton Wade of Fayetteville made the motion to table the measure.

ASU is at Jonesboro, and the UA is at Fayetteville.

## Leaking Fuel Delays Ship

SAN PEDRO, Calif. (AP) — As jet fuel was being loaded aboard the Navy tanker Chepachet Wednesday, about 50,000 gallons leaked from a holding tank. Firemen said the fuel became a foot deep in the engine room, five feet deep in the pump room. To prevent fire, carbon dioxide was pumped through the ship while the fuel was siphoned to tanks on the dock at Los Angeles harbor. The ship, scheduled to depart for Alaska today, was moved to anchorage away from the dock for testing.

Membership of the United Nations Security Council is fixed at 11 members, five with permanent seats and six elected for two-year terms.

## May Leave Convention to Voters

LITTLE ROCK (AP) — The Arkansas Senate Thursday passed a bill to allow the electorate to decide whether to call a constitutional convention while both chambers of the General Assembly received the administration's long-awaited prison reform legislation.

The Senate amended another bill to require convention delegates to be elected by majority vote. It also lengthened the time in which the public could examine any new constitution before voting on it.

The bill to allow the electorate to call any convention passed 32-2 with Sens. Q. Byrum Hurst of Hot Springs and Melvin Chambers of Magnolia voting against it and Sen. Dan T. Sprick of Little Rock voting "present."

Sprick charged that the idea of drafting a new constitution was "politically inspired" and Chambers was concerned that a new document might call for gubernatorial appointment of judges now elected by popular vote.

"There's nothing pernicious in this bill; there's nothing malicious in it; there's nothing dangerous to the people," said Sen. Guy Jones of Conway. "I'm going to vote for this bill."

Meanwhile, three prison reform bills were introduced in both houses with the House temporarily sidetracking two of them through objections to second reading of the bills. This will delay House action on them one day.

The delayed measures would create a Department of Corrections and modify laws governing probation and sentences.

There was no objection to second reading of a bill appropriating funds for a Department of Corrections.

In other action, the House delayed the bill removing the 10-year residency requirement from the position of State Police director on agreement of Rep. Jimmie McKissack of Star City, who amended it, and Rep. James Sheets of Sloam Springs, the author.

The House also failed to get to its constitutional convention bills because of the lateness of the day and the lower chamber was scheduled to act on Senate bills today.

The Senate also chose to follow precedent rather than heed an attorney general's opinion.

It amended an appropriation measure that would reimburse Gov. Winthrop Rockefeller's contingency fund for \$125,000

## Budget Cutters Honing Scissors for LBJ's Foreign Aid Request

By ROBERT A. HUNT  
Associated Press Writer  
WASHINGTON (AP) — Congressional budget cutters are honing their scissors again for use on the administration's \$3 billion foreign aid request.

But some of these same members took a more kindly view to President Johnson's bid for a special \$100 million in immediate military aid for South Korea. It's included in the overall foreign aid request, submitted Thursday to Congress.

Congress cut nearly \$1 billion out of the administration's \$3.2 billion budget for the controversial foreign aid program in the current fiscal year.

"I think it can be and will be reduced," said Rep. E. Ross Adair of Indiana, second-ranking Republican on the House Foreign Affairs Committee.

Rep. Frank T. Bow of Ohio, top-ranking GOP member of the House Appropriations Committee, agreed reductions could be made. But neither would predict a specific amount.

Adair and Bow said the \$100 million request for South Korea probably would go through. Sen. Allen J. Ellender, D-La., a key member of the Senate Appropriations subcommittee, said he opposed it.

Chairman Thomas E. Morgan, D-Pa., of the House Foreign Affairs Committee said he plans to launch hearings on the authorization bill about Feb. 26 "and we'll be shooting for House action sometime in

spent on an exhibit at this year's HemisFair in San Antonio, Tex.

Sen. J. Hugh Lookadoo of Arkadelphia read an attorney general's opinion saying that the reimbursement had to be in the form of an appropriation, but the Senate amended the wording of the bill to take out the word "appropriation."

It did so at the urging of Sen. Morrell Cathright of Pine Bluff, who reminded his colleagues that the Senate "never" refused to permit the author of a bill to tack on an amendment.

Sen. Milt Earmhart of Fort Smith sponsored the bill and offered the amendment.

The practical effect of the amendment was to reduce from 27 to 18 the number of votes needed for approval of the bill, which failed to pass Wednesday by a vote of 24-10.

Appropriations require a three-fourths vote for approval, while non-appropriation bills require only a majority.

May."

Predictions of cuts also came from some members of the Senate Foreign Relations Committee and little urgency has been attached to the proposal there.

Chairman J. W. Fulbright, D-Ark., has said there will be declining support for foreign aid so long as the Vietnam war continues. Sens. Bourke B. Hickenlooper, R-Iowa, and Karl E. Mundt, R-S.D., foresaw no prospect for a substantial increase in the \$2.3 billion Congress appropriated for the current fiscal year.

The new proposal includes \$2.5 billion in economic assistance and \$420 million for military aid. Another \$120 million in arms aid will be sought through a separate bill.

## POLICE KILL

from Page One

at Columbia, 45 miles away. Associated Press photographer Dozier Mobley, who was on the shooting scene, said about 75 Negroes standing on a knoll opened fire on police, firemen and National Guardsmen who came to extinguish a bonfire the Negroes had set.

Mobley reported that police officers returned the fire with shotguns but there was no report of guardsmen shooting and their commanding officer denied that any had.

Police said State Highway Patrolman D. J. Shealy of St. Stephens was struck in the face by a club wielded by a Negro. He was the only man reported hurt among the police and guardsmen.

Ambulances raced to the scene and removed wounded students to Orangeburg Regional Hospital.

At least three of the wounded were from Claflin College, which adjoins South Carolina State.

Patrols of guardsmen, meanwhile, were posted on the State campus, sealing it off, and in a five-block area downtown after unverified reports of looting.

At a news conference early today, Col. Robert McCrady, commander of 503 guardsmen on alert here, said that the guardsmen had loaded their weapons with live rounds for the first time Thursday night but that "not one guardsman fired one round of ammunition."

Plans to use tear gas had to be discarded, McCrady said, because the wind was blowing the wrong way.

## Marine Tries to Hijack Airliner

By JOHN LENGEL  
Associated Press Writer  
DA NANG, (AP) — A U.S. Marine private in a black leather jacket with a cocked, 45-caliber pistol tried today to hijack a Pan American Airlines DC6 loaded with war-weary U.S. Servicemen waiting to fly to Hong Kong, U.S. Air Force Police said.

After 2 hours and 45 minutes, a message from a four-star general and tear gas, the copilot thwarted the effort with a bold move.

The man arrested by Air Force police was identified as Marine Pfc. William Lee Clark of the 1st Division's 1st Field Artillery Group. No charges have been filed and authorities withheld comment pending a full investigation.

The incident started at 1:30 p.m. after 83 servicemen were aboard the plane for their rest and recuperation flight to Hong Kong.

In the cockpit of the four-engine plane were the pilot, John P. Jones, of New York City; copilot E.L. Archer, 30, of Beeville, Tex., and a flight engineer, Robert H. Clack, 26, of Midland, Mich.

While the engines were warming up, the trespasser in the leather jacket, blue jeans and boots shouted up to Archer from the runway. He asked where the plane was going, Archer said, and added he worked for a U.S. airline in Vietnam.

The next thing the crew knew, Archer said, the man was up front in the cockpit. He shut and bolted the door, cocked his pistol and kept it pointed at the flight engineer's head most of the time, Jones said. Archer quoted the man as saying, "I want to go to Hong Kong."

The passengers, many of them front-line combat troops, were ordered off the plane and the engines were turned off.

For nearly two hours the crew tried to talk the trespasser into leaving. Military police with automatic rifles gathered around

## Proclaims Music Month

Talking by radio, a chaplain, a doctor and Col. Paul Watson of Washington, D.C., commander of the 360th tactical fighter wing, also tried to dissuade the trespasser.

In an aside, Watson said, "It's silly to let this man take off, he could do anything, like order the plane to Hanoi."

According to Archer, the gunman finally said, "start the engines or I'll shoot." The engines were started again.

The crew had permission to taxi the aircraft but at 3:45 p.m., the message from Gen. William C. Westmoreland, commander of U.S. forces in Vietnam, arrived. It said: "Don't let the plane leave. Use tear gas."

Tear gas was tossed into the vacated passenger compartment and the doors were sealed. The passenger loading steps were wheeled to the cockpit windows with armed air policemen on top of the steps.

Air policemen scrambled into the cockpit and took Clark into custody.

Mayor Donal Parker proclaims American Music Month as Mrs. Guy Downing, representing the Friday Music Club, looks on.

PROCLAMATION  
AMERICAN MUSIC MONTH  
WHEREAS, Music the universal language of peace, is one of the great arts and an outstanding feature of our culture; and

WHEREAS, The National Federation of Music Clubs, having as a foremost objective the promotion of American Music, will stage its fourteenth annual "Parade of American Music" and urge all of our citizens to throughout the month of February; and

WHEREAS, The National Federation of Music Clubs and The Friday Music Club of our City join in encouraging and stimulating interest in American Music and the enjoyment and appreciation thereof; and

WHEREAS, The "Parade of American Music" is designed to give our own worthy United States composers recognition, encouragement and support, and to impress upon the public of the United States that it has created as well as performing musical artists and a musical culture equal to that of other countries; NOW

THEREFORE, I, Donal Parker, Mayor of Hope, Ark., in recognition of the American composer and in order to encourage native creative musical art, do hereby proclaim February, 1968, as AMERICAN MUSIC MONTH and urge all of our citizens to join in the observance and share the joy of music.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Hope to be affixed, this, the 9th day of February, 1968.

## Bob Thomas at the Movies

**HOLLYWOOD (AP)** — Are you ready for a Charlie Chan cult, following those for Humphrey Bogart, Laurel and Hardy, W. C. Fields, etc.?

Warner Bros.-Seven Arts devoutly hopes it happens, since the company owns the mystery dramas produced by Fox in the 1930s. Such hopes are being furthered by a Charlie Chan film festival at New York's Museum of Modern Art March 4-17.

How could any middle-aged movie goer fail to recall the intangible Charlie? Whether played by Warner Oland or his successor, Sidney Toler, he was always the same: The white suit with Panama hat perched squarely atop his head, his bantam with No. 1 son, the breathless Keye Luke, his way of wrapping up the situation with pseudo-confucianisms like "bad alibi like dead fish—cannot stand the test of time."

## Adams' Death Due to Drug Overdose

**LOS ANGELES (AP)** — Actor Nick Adams, 36, will be buried in Pennsylvania where as a boy he dreamed of becoming a movie star.

A rosary will be recited tonight in Beverly Hills. Requiem Mass will be celebrated next week in Berwick, Pa., the home of his parents, followed by burial there.

Adams was found dead Wednesday night of an overdose of a drug used to treat nervous disorders and alcoholism, an autopsy established Thursday.

Dr. J. Wallace Graham, deputy county medical examiner, said the cause of death was "paralytic intoxication."

No alcohol was found in the actor's bloodstream, the coroner's office reported, and friends said they did not consider him a heavy drinker.

They added, however, that in recent weeks a series of personal problems had left him nervous and despondent.

Adams, former star of the television series "The Rebel," had been dead 24 to 36 hours, the autopsy showed. The body was found in an upstairs bedroom by his friend and attorney, Ervin Roder.

## College Bars All Hippies

**BROWNWOOD, Tex. (AP)** — Howard Payne College announced Thursday a policy barring "hippies and other bizarre personalities" from enrollment.

The Baptist-supported institution said those who were not hippies when they enrolled but became so later "will be asked either to change their ways or to withdraw."

"In no circumstances will any student or any person affiliated with the college be permitted to use any kind of hallucinatory, habit-forming or harmful drug or alcohol," the announcement said.

The school also announced it "will not tolerate any individual or group of individuals on this campus who advocate violence, demonstrations or who participate in any movement that would directly or indirectly embarrass the President or the Congress of the United States."

Howard Payne has an enrollment of about 1,250.

## HELEN HELP US!

**YOUTH ASKED FOR IT!**

This column is for young people, their problems and pleasures, their troubles and fun. As with the rest of Helen Help US!, it welcomes laughs but won't dodge a serious question with a brush-off.

## POURTRAIT OF A SNEAKY TOMCAT

Dear Helen: My husband met this woman about three months ago. When rumors started, he told me she was the aggressor and wouldn't give up. Said he didn't want to hurt her, so he takes her home once in a while when she asks. (And stays until 4 a.m.) He said he was crazy about me, and couldn't stand her.

But here's the other side: Somehow she got a picture of our baby daughter and is telling her friends it is her little girl. I was visiting relatives a couple of days recently, and understand she moved in. (He says nothing happened.)

Last week I found a note pad on which he had written a letter. Reading the impressions on the blank page beneath, I found he'd told her not to call our house as I have a private detective spying on him and our phone has been tapped. He also said I am trying to enslave him and he is staying only because I am so weak I'd fall apart if he left.

Then he added he couldn't stand being away from her and to keep on fighting for him.

I don't dare mention what I read, but yesterday I asked him to make a choice and he said, "Don't leave me, honey. I told her again to get lost but she won't let me alone."

This isn't the first time he has wondered, "What breed of man do I have for a husband?—HURT"

Dear Helen: Would you believe: a cross between a rat, a weasel and a sneaky tomat? Tell him that letter suddenly made you strong. Then add one more word, "Goodbye!"—H.

Dear Helen: Perhaps my story will help others like me.

When I was young, I was extraordinarily beautiful, and what's more I knew it. Wherever I went, I had my pick of men.

I'm a three-time loser. One marriage lasted three months, one five years and the third last.

Recommended weekend viewing: Tonight — "Music of the Land," NBC, 10-11 EST, country music, with Eddy Arnold.

Sunday — "A Case of Libel," ABC, 9-11, dramatic production based on the Louis Nizer book, with E.G. Marshall, Van Heflin, Jose Ferrer and Lloyd Bridges; the "Fabulous Funnies," NBC, 9-10, documentary with Carl Reiner.

Biggers produced the first of the Chan books, "House Without a Key," in 1925. Five others appeared before the author's death in 1933. Hollywood first saw possibilities in the Biggers books in 1926, when Pathe produced "House Without a Key."

The role of Chan was minimized and handed to a Japanese actor, George Kuwa.

Another Japanese, Kamyama Sojin, played Chan in Universal's "The Chinese Parrot" in 1928. Fox filmed "Behind That Curtain" in 1929 with Warner Baxter as star and an English actor, E. L. Park, as Charlie.

The pattern for future films finally arrived with "Charlie Chan Carries On" in 1931.

## U.S. Girls in Startling 3-Way Tie

By MORRIS ROSENBERG  
Associated Press Writer  
GRENOBLE, France (AP) — Jean Claude Killy, France's cool colossus of the ski slopes, won the men's downhill race at the Winter Olympic Games today while three American girls sprang a major surprise by sharing silver medal honors in the 500-meter speed skating test.

Killy, 25-year-old ace of the powerful French Alpine team, beat countryman Guy Perillat by a slender margin for the gold medal in the downhill, with J. Daniel Daetwyler of Switzerland third and the four-man American contingent far off the pace.

The victory opened Killy's bid to match the 1956 feat of former Austrian star Toni Sailer, who won all three Olympic Alpine events—the downhill, slalom and giant slalom.

Mary Meyers of St. Paul, Minn., Dianne Holm of Northwood, Ill., and Jenny Fish of Strongsville, Ohio, provided the speed skating fireworks, finishing in a startling three-way tie behind gold medalist Ludmila Titova of Russia in the women's 500-meter race.

The American trio finished with identical times of 46.3 seconds—two-tenths of a second behind the winner—and each will receive a silver medal, highest award ever captured by U.S. girls in Olympic speed skating competition.

Killy, the world's premier skier, zipped down the Chamrousse slopes in one minute, 59.85 seconds to win the downhill race, postponed Thursday because of bad weather, by less than one-tenth of a second.

Perillat, starting in the No. 1 position, had set a blistering pace of 1:59.39. Daetwyler finished in 2:00.32 and fourth-place Heinrich Messner of Austria in 2:01.03.

Billy Kidd of Stowe, Vt., sking on a tender left ankle which he sprained two days ago during practice, could do no better than 18th, with a 2:03.40 clocking.

Dennis McCoy of Bishop, Calif., was 21st in 2:04.82, but the other two U.S. starters, Jere Elliott and Jim Barrows, both of Steamboat Springs, Colo., were among five of the 62 skiers who did not finish.

"I just skied badly," Kidd said. "I was terrible at the turns. My ankle was all right. It gave me no trouble."

Killy announced after the race that he would retire from competition after the World Cup race in Heavenly Valley, Calif., April 5-7. "I'm very happy about this victory," he said. "I'm especially happy I showed that I was in as good form as at Portillo two years ago."

Killy won the downhill event at the 1966 world championships at Portillo, Chile.

The 2,890-meter downhill course was slowed by above-freezing temperatures when the race, which had been postponed Thursday because of wind, snow and fog, got underway.

Both Kidd and McCoy said the course was very fast in the top reaches and slow on the lower part.

**Still Has Another Big Problem**

GRENOBLE, France (AP) — Craig Flakman, U.S. hockey player who suffered a dislocated ankle in a game against Sweden, now has problems of another sort. He and his wife Sandy were planning on going to ski in Germany after the Olympics. "I guess we will go to Spain and sit in the sun instead," he said.

### Stall 9 Seconds But They Lose

BUHL, Idaho (AP) — The scoreboard at the Buhl High School gym read: Home Team 62, Visitors 61. Nine seconds remained.

Basketball Coach Chris Cagle, a native of Buhl, looked at the familiar hometown scoreboard and ordered his players to stall the last nine seconds. They did. And lost.

In the confusion, Cagle forgot that he is now an outsider to the hometown scoreboard. He was coaching the visitors from near-by Burley.

## Oaklawn Season Is Underway

HOT SPRINGS, Ark. (AP) — The first 50-day season in Oaklawn Park's long history gets underway today with a crowd of 12,500 expected for the nine-race card.

The feature is the \$5,000 inaugural Purse, a 5/8 furlong spring for three-year-olds. The feature drew a full field of 12, headed by Deane Lindstrom's Frosty Dear.

Frosty Dear, who will be ridden by Bill Whitl, was unsuccessful in four attempts here last season but won the To Market Stakes at Hawthorne and finished first once at Sportsman's Park.

Frosty Dear, John L. Martin's Green For Go and G. B. Newbill's Elony share topweight of 122 pounds. Green For Go, to be ridden by Terry Dunlavy, won three races in 1967. Elony, with Ronnie Campbell up, captured the first division of the Arkansas Futurity at Oaklawn in 1967.

Mr. and Mrs. R. F. Roberts' Texas Lad is also expected to receive strong backing.

J. Sweeney Grant, general manager of Oaklawn, says he expects a crowd of between 15,500 and 17,500 for Saturday's program, highlighted by the \$10,000 King Cotton Handicap.

"I think this will be the best season yet," Grant said. "Everything is in tip-top shape. We've been up each year and I'm optimistic again."

## No Touching, Cheerleaders Are Warned

OKLAHOMA CITY (AP) — The boy and girl cheerleaders have to quit touching each other or quit leading cheers at Bethany Nazarene College.

Acrobatics and gymnastic routines are out, says head cheerleader Carolyn Davis, because some alumni complained about gymnastics in routines at Bethany basketball games.

Miss Davis said school administrators had ruled there is to be "no physical or body contact between the men and women cheerleaders at all."

She said the cheerleaders had been told, "We must either hand in our resignations or cut out body contact."

All of the cheerleaders considered resigning, Miss Davis said, "but we decided we had a responsibility to the team and the students who chose us."

Gordon Wickham, public relations director, said he could only refer to the college catalogue concerning the schools position.

The catalogue, he said, notes, "It must be borne in mind that certain disciplines are necessary to the future welfare of individuals," and the college has the right to "supervise social activities in harmony with Christian principles."

## Tar Heels Win 14th Straight

By TED MEIER

Associated Press Sports Writer  
You can beat that drum, scream and yell. You're not going to get the North Carolina Tar Heels rattled in a college basketball game away from home.

The nationally ranked Tar Heels, No. 3 in The Associated Press poll, won their 14th straight by defeating Wake Forest 80-60 at Winston-Salem, N.C., Thursday night. They didn't lose their poise even when they were behind 10-3 and the Wake Forest crowd was raising the roof.

"When we play away from home everyone is shooting at us and there is a lot of screaming," said Dean Smith, North Carolina coach. "I am happy we can keep our poise."

Smith said his Tar Heels have been improving steadily since the semester break and the victory over Wake Forest was a "particularly fine one."

Larry Miller led North Carolina with 23 points and Charlie Scott added 21. Rusty Clark dominated the boards.

"Miller is an All-American," Smith said. "Scott and Clark are great, but don't get me wrong, we're not a three-man team."

North Carolina's over-all record now is 16-1 and Jack McCloskey, Wake Forest coach, declared the Tar Heels have "all the ingredients to make an exceptionally fine team. They are intensely aggressive, change their defenses fast and don't lose their poise."

Duke, looking ahead to its meeting with North Carolina in next month's Atlantic Coast Conference championship tournament, also won on the road.

Mike Lewis' 28 points and 18 rebounds, led the Blue Devils to a 78-54 victory over South Illinois in the opener of a double-header that marked the end of college basketball in New York's old Madison Square Garden.

Duke had been upset 72-63 by Southern Illinois in last year's NIT tournament. NYU defeated Manhattan 76-63 in the other half of the twinbill.

Bradley also scored a notable road victory, downing Tulsa 76-57. The Braves were led by Bob Swigris with 20 points and Greg Berry with 18.

John Fultz's two free throws in the last 29 seconds gave Rhode Island an upset 53-51 victory over Providence at Kingstons, R.I.

In other home court victories, St. Louis downed Memphis State 60-53 and Duquesne beat Westminster, Pa., 87-69 behind 34 points from Ron Guziak.

## Pipers Idle But Gain in Standings

By THE ASSOCIATED PRESS  
If Pittsburgh stands idle the rest of the American Basketball Association season, it might win the Eastern Division title, but the same is partially true for Minnesota.

The Pipers took the day off Thursday night and slipped back into first place by five percentage points over Minnesota, which dropped a 123-121 decision at New Jersey on Bruce Spraggins' free throws after the final buzzer.

The night before it was the Muskies who took advantage of an off day to gain the top spot while Pittsburgh lost. They get another chance tonight with an open date while Pittsburgh plays at Oakland.

In other games, Denver broke Indiana's five-game winning streak with a 98-91 victory in Kokomo, Ind., and New Orleans lost to Anaheim 122-118 on the West Coast.

In the National Basketball Association, Chicago routed Detroit 131-110. Baltimore topped San Diego 106-102. Los Angeles fell to Seattle 115-110 and San Francisco stopped Cincinnati 126-109.

After 60 minutes of basketball, Minnesota had to sit by and watch Spraggins drop the last of his 30 points that spoiled the Muskies' 20-6 surge to tie the game at 121. Erv Iniger produced the tie for Minnesota with a jump with 17 seconds left before Mel Daniels fouled Spraggins under the basket at the buzzer.

Les Hunter had 41 points and Daniels 24 for Minnesota.

## Unknown Is Leading at San Diego

By BOB MYERS

Associated Press Sports Writer  
SAN DIEGO (AP) — The par wreckers of golf, who had a pretty busy day in the first round, set forth again today in the \$150,000 Andy Williams-San Diego Open Tournament with virtually unknown Jimmy Powell in the lead.

Powell, a strapping 6-footer who teaches the game for a living at Indian Hills Golf Club in Riverside, Calif., gave such more renowned pros as Jack Nicklaus, Billy Casper and Arnold Palmer a lesson on how to whip the Torrey Pines Golf Club's par 36-72.

He did it Thursday over the 6,792-yard layout with 32-32-64, the lowest score of the 1968 PGA winter tour, and moved into today's play with a lead of two strokes.

Nicklaus, ending a three-week vacation from competition, was three shots back of the leader with 33-34-67. Casper was in the 68 bracket after 34-34 and Palmer was even par with 36-36-72.

Sixty-six of the 144 starting pros bettered par. It was rather frightening. But Nicklaus and some of the others predicted that the bombardment would relax when the tees are put further back and the course lengthened in the final two rounds Saturday and Sunday.

Four players were tied at 66 — Ron Reif with a 31-35; Ray Floyd, 33-33; Ron Funseth, 32-34, and Tom Welskopf, 32-34. Nicklaus was deadlocked with Dave Hill and Marty Fleckman at 67. Casper was asked if he was surprised that a 68 still left him in a tie for ninth place.

"That's the way this game goes," said Casper.

Down the line—if 69 could be labeled down the line—was the defending champ Bob Goalby at 34-35-69. It was that kind of a first round.

## Red Wings Disturbed by a Loss

DETROIT (AP) — Sid Abel normally shrugs off defeat with a professional "we'll get them next time" attitude.

But the manager-coach of the Detroit Red Wings was visibly disturbed after a 3-2 loss to the New York Rangers Thursday night.

In the only other game played, Los Angeles turned back Pittsburgh 3-1 on the West Coast.

"This was a very important hockey game for us," said Abel, whose club has lost 11 of its last 16 games, including four of its last five.

The Wings are last in the National Hockey League's East Division, nine points out of the final playoff slot with 22 games to play.

The victory extended the Rangers' unbeaten string to three games and moved them into the sole position of fourth place, two points up on idle Toronto.

The Wings battled back from 1-0 and 2-1 deficits to tie the game twice but were beaten on Rod Gilbert's 20th goal at the 12:27 mark of the third period.

"We looked like we were ready to go in the third period," said Abel. "But we make one mistake and they score."

The Wings' frustrations came to a head late in the game when Bergman drew a 10-minute misconduct penalty for disputing an official's decision that Detroit had to many players on the ice.

The Rangers took a 1-0 lead in the first period on Bob Nevin's shot. Bergman's goal, on a power play, knotted the score but the Rangers jumped back in front on Harry Howell's goal at 6:24 of the second period.

Detroit's Norm Ullman tied the score with his 25th goal, before Gilbert slammed home his clincher.

Los Angeles moved into undisputed possession of third place in the West Division by beating Pittsburgh, which has won only two games in eight meetings with the Kings.

Goals by Gordon Labossiere and Bill Flett gave Los Angeles a 2-0 lead in the second period. Ab McDonald of the Penguins cut the deficit to 2-1 late in the stanza. Real Lemieux provided the Kings' insurance goal early in the final period.

## Tigers in Loss to Ashdown

By LINDA WILLIAMS

Yerger Sports Writer

The Tigers were defeated once again, but the action looked different for the boys. They played a very good game. At the end of the first quarter the score was Ashdown 6 Yerger 10. At half-time the score was 14-18 favoring Ashdown, third quarter 16-16. The final score was 48-51. The Tigers led until the last 2 seconds of the game. All the Tigers need now is to keep the spirit for the remainder of the season. I hope the boys will keep the spirit. Scoring for the Tigers: Verge 4, Brown 14, Block 2, Woods 6, Smith 22.

The junior boys were also defeated by Ashdown. Ashdown led the Tigers until the third quarter of the game when we took over by 1 point. First quarter score was 10-5 favoring Ashdown. Half-time was 11-6 and the third quarter score was 11-10 favoring Hope. Final score was 35-45. Scorers for the junior boys were Johnson 10, Peery 14, Prater 2, Newton 10. I really don't know what happen to the junior boys. They started off excellent, but somehow they lost control of the ball. I am hoping the season will look better for them.

From the sports dictionary comes the word Dribble - Occurs when a player bounces the ball on the floor, tapping it with one hand. It is a means of advancing the ball down the court.

**Tobin Bronze, Damascus Race Saturday**

By ED SCHUYLER JR.  
Associated Press Sports Writer  
It will be show-me time for Tobin Bronze at Santa Anita Saturday, but it's doubtful it will be headline time for the Australian champion. For, the great Damascus will be racing the same day at the same track.

American horsemen and thoroughbred enthusiasts will get an opportunity to make a good estimate of Tobin Bronze when he goes in the \$30,000-added San Marcos Handicap over 1 1/2 miles on the grass.

Damascus also will be going 1 1/4 miles, but on the dirt, in the \$100,000 Charles H. Strub Stakes, which was rescheduled from last week because of a horsemen's boycott that shut down the track for three racing days. The dispute involved purse increases.

Ron Turcotte, replacing the injured Bill Shoemaker, will ride Damascus, assigned high weight of 126 pounds, in the race restricted to 4-year-olds. It will be Mrs. Edith W. Bancroft's 1967 Horse of the Year's third Santa Anita start of the season — he won the other two. His opposition is expected to be Tumblin Wind, 119; Rukun, 117; Rivet, 115; Most Host, 115 and Proud Land, 112.

The 6-year-old Tobin Bronze has drawn top weight of 125 pounds and 10 expected opponents for the San Marcos. They include Junkie Road and Pass the Brandy, 116 each; Moontrip, 113, and Dr. Isby, 111.

Mrs. Bernard P. Bond's highly regarded Clever Foot leads and expected field of 3-year-olds in the \$25,000-added, six-furlong

Pimlico Stakes at Pimlico.

Other races Saturday, are the \$25,000-added, 1 3-16 mile Bougainville Turf Handicap at Hialeah.

# Ryun Admits He Isn't Running Well

By RON RAPOPORT  
Associated Press Sports Writer  
NEW YORK (AP) — Jim Ryun, admitting that "it's a long way from a world record to what I've been running lately," gets his first real competitive test in months tonight when he meets Dave Patrick and Sam Bair in a mile race.

Patrick of Villanova is the only man to beat Ryun since August, 1965. Bair of Kent State might be the second.

The three square off in the final track meet to be held in the old Madison Square Garden, the U.S. Track and Field Federation indoor meet. The race is being called The Last Garden Mile.

"I feel very strong right now," said the 20-year-old Kansas junior, who holds the world record for the mile of 3:51.1. "I haven't run any fast times lately, but I'm pleased with the shape I'm in. I don't know what I can do right now."

Ryun's best indoor mile is 3:58.6, while Tom O'Hara's World Indoor record is 3:56.4.

Patrick dealt Ryun his lone competitive loss in the last 2½ years last March in the 880 in the NCAA championships. Patrick set a world indoor record and beat Ryun by a dozen yards.

Other indoor meets this weekend are the Will Rogers Games in Fort Worth, Tex., tonight and the Los Angeles Times Games and the Baltimore Sun Games Saturday night.

## Wants U of A to Deduct Union Dues

LITTLE ROCK (AP) — Sen. W. D. "Bill" Moore Jr. of El Dorado attempted Thursday to maneuver the University of Arkansas into compliance with a 1967 act requiring state institutions to provide payroll deduction of union dues for employees who request it.

The Pulaski - Lonoke county delegation has introduced a resolution aimed at bringing about the merger of Little Rock University with the University of Arkansas, and Moore attempted to attach an amendment to it that would have forced the UA to end its refusal to comply with the dues checkoff law.

The resolution asks the Commission on Coordination of Higher Educational Finance to prepare a budget under which the two schools would operate if they are merged.

Moore's amendment would have required the UA board of directors to certify in writing that they were complying with the dues checkoff law before the resolution could take effect.

Moore lost his battle when Lt. Gov. Maurice Britt, the presiding officer in the Senate, held that the amendment wasn't germane to the resolution and couldn't be attached to it.

## Rail Strike Goes Into Fourth Day

By THE ASSOCIATED PRESS  
Only a limited amount of perishables and some military supplies were being moved on three major railroads today as a strike by the Brotherhood of Railway Trainmen entered its fourth day.

Spokesmen for the Missouri Pacific (MOPAC) said the carrier had received reports of sabotage from widely separated points along its 12,000 miles of track.

The threat of a strike against a fourth road, Union Pacific, was halted Thursday by a federal court restraining order issued at Lincoln, Neb.

U.S. Dist. Judge Robert Van Pelt temporarily restrained the Union Pacific from reducing the size of its freight train crews and ordered the union not to strike until good faith negotiations on the issues had taken place.

Passenger service on the struck lines halted Tuesday. Supervisory personnel are operating the railroads under a limited number of freight trains.

The strike is over an old issue — size of crews for freight trains. Management contends only two men are needed, that any more amounts to featherbedding. The union argues that a minimum of three is necessary to operate safely.

The subject was settled by arbitration in 1964, permitting the roads to eliminate one man from the three man crews of certain freight trains and yard crews. The award was binding only for two years.

The struck roads serve the Midwest, Southwest and Southeast.

Florida and the Southeast appear to be the areas most seriously affected by the strike. This is the peak of the shipping season for winter fruits and vegetables. Shippers said they could be in trouble if the strike continues indefinitely.

More than 20,000 of the MOPAC's 23,500 employees have been idled by the strike.

**CHURCH ATTENDANCE  
UP 7%  
OVER NATION  
WERE YOU  
THERE?**

Sixty-four million Americans went to church last Sunday. Did you? More people are attending church today than ever before. We are giving more to the support of the church... 1½ billion per year. New church construction gets ¾ of a billion per year. More young people are giving themselves to full-time Christian work — theological enrollment increased 7.7% in a single year. Why all this??? Because everyone knows the church is the great bulwark of society... *the only safeguard for the preservation of world peace.* The church is humanity's light — a beacon guiding the weary traveler to his eternal home. *It is the only institution in your community which has as its main function the transforming of human lives.* Support your church liberally. Encourage and pray for your pastor. Help push attendance records up again.

**YOU IN THE CHURCH  
THE CHURCH IN YOU**  
Character is a by-product of the church. It is here that young and old alike are showered with benedictions stronger democracy in the church the ministerial and a molding religious character. Statisticians today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good in a regular CHURCH. GOES and a daily BIBLE READER.

**New York May  
Abandon  
the Lottery**

By ARTHUR EVERETT  
Associated Press Writer  
NEW YORK (AP) - Born  
last June, the New York State  
lottery has proven to be such a  
punny baby that its legislative  
midwives now are talking  
about abandoning it.

The lottery is probably the  
biggest financial disappoint-  
ment since the 1964-65 New  
York World's Fair.

Since sale of the \$1 lottery  
tickets began last June, reve-  
nues have been less than one-  
third of the anticipated \$20-mil-  
lion-a-month gross. The net  
profits of the lottery are ear-  
marked for education.

This led Earl W. Brydges,  
State Senate Republican majori-  
ty leader, to say a few days ago  
when the state legislature was  
reconvening: "I never wanted  
the lottery and always opposed  
it. I think now when it is a rela-  
tively insignificant part of our  
total revenue, maybe this is the  
time to decide whether you  
want to get rid of it."

His Democratic counterpart  
in the State Assembly, Speaker  
Anthony J. Travia, who origi-  
nally supported the lottery,  
agreed it should be made a  
worthwhile enterprise or aban-  
doned altogether. But he fa-  
vored giving it one more  
chance.

Their remarks were occa-  
sioned by a legislative proposal  
to extend the sales outlets for  
lottery tickets to supermarkets,  
newsstands, shopping centers  
and railroad and bus terminals.

Tickets are now sold only in  
hotels, motels, government of-  
fices and banks, the latter being  
the chief outlets. But the U.S.  
Congress has banned the sale of  
the lottery tickets in banks after  
April 1.

For over 70 years there  
wasn't a single lottery in the  
United States. During that peri-  
od, however, Americans spent  
untold amounts on Irish sweep-  
stakes and other imported lot-  
tery tickets.

Then, in 1964, New Hampshire  
launched its state lottery. Like  
New York's, it hasn't come up  
to expectations. It was hoped it  
would produce \$7 million a year  
in revenue for schools, but ac-  
tually it has produced a little  
over \$2 million a year.

New Hampshire last year ex-  
panded the number of ticket  
sales outlets.

There has been some sniping  
by critics who claim the New  
Hampshire lottery has failed to  
yield sufficient revenue to just-  
ify itself. But the voters have  
continued to approve it at local  
option elections, the legislative  
leaders and the governor like it  
and there are presently no  
moves afoot to abandon it.

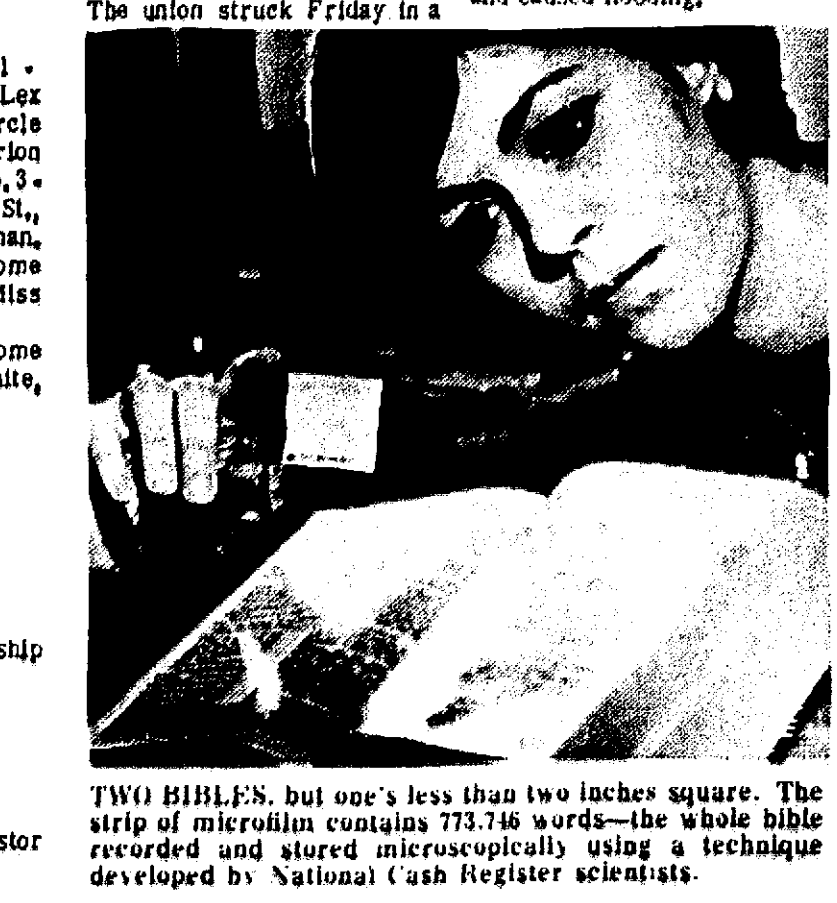

One of the staunchest advo-  
cates of government lotteries is  
Rep. Paul A. Fino, R-N.Y. As a  
college debater in 1933, he  
argued for a municipal lottery  
to raise funds for New York  
City, had pressed financially in  
that depression year.

Fino introduced his first state  
lottery bill in 1954 after his elec-  
tion to the State Senate. His  
first action following his elec-  
tion to Congress in 1952 was to  
introduce a bill calling for crea-  
tion of a national lottery.

demand for a \$600 increase in  
the annual salaries that range  
from \$6,424 to \$7,956 after three  
years.

At the end of the first week of  
the unprecedented strike there  
was enough uncollected trash  
littering the city to fill the holds  
of six average-sized, ocean-  
going freighters.

In declaring the first citywide  
health emergency since a sum-  
mer polio epidemic in 1931, the  
Board of Health warned that ty-  
phoid fever could result if uncol-  
lected garbage jammed sewers  
and caused flooding.

## Lindsey Won't Be Blackmailed

By BOB MONROE  
Associated Press Writer  
NEW YORK (AP) - Mayor  
John V. Lindsay rejected today  
the recommendations of Gov.  
Nelson A. Rockefeller's special  
mediation panel for ending the  
week-old s a n i t a t i o n m e n ' s  
strike, dashing hopes for an ear-  
ly settlement.

"I said yesterday the city  
would not pay blackmail in or-  
der to conclude this strike," the  
Republican mayor declared at a  
news conference. "The proposed  
settlement, in my view, asks the  
city to pay a little blackmail."

After the mayor acted, 400  
shop, stewards for the striking  
Unemployed Sanitationmen's As-  
sociation voted unanimously to  
accept the proposal. A union  
spokesman said the strike would  
continue nonetheless.

As the city entered the eighth  
day of the municipal crisis,  
health officials warned of grow-  
ing rat and typhoid dangers  
posed by 60,000 tons of uncol-  
lected garbage festering in the  
streets.

Lindsay renewed his plea for  
a National Guard callup which  
the governor held in abeyance  
Thursday as he took charge of  
the dispute and sought to break  
the deadlock through mediation.

The governor named his five-  
man panel Thursday evening  
and it voted 4-1 for the proposal  
submitted to the governor at  
2:40 a.m. today.

Rockefeller endorsed the re-  
port as "fair and reasonable  
and above all in the best inter-  
est of the people of this city,"  
and recommended acceptance  
by both sides.

But at 3:25 a.m. the mayor's  
press secretary announced  
Lindsay had turned down the  
proposal calling for a \$425 an-  
nual increase in salaries—\$25  
more than the proposal of an-  
other mediation team which the  
union rejected earlier.

## Fuss Breaks Out in House Over Bill

By ED SHEARER  
Associated Press Writer  
LITTLE ROCK (AP) — Suggestions that a bill carrying his name was not an administration measure irked Rep. Marlon Crank of Foreman Thursday and prompted him to term unidentified administration aides as "a bunch of liars."

Crank further suggested that all Democrats who agreed to sponsor administration legislation in the special session take their names off the bill. His outburst came in the midst of virtual bedlam in the lower chamber during discussion of a bill to create an Association of Arkansas Counties.

House Speaker Sterling R. Cockrill Jr. of Little Rock interrupted debate on the bill to say he had just learned the bill was not endorsed by the administration.

"Why this doesn't make sense," Crank yelled, "I have no bills in this session. I never saw this bill until Monday when I found it on my desk and then I merely placed it in the hopper."

With a state of confusion disrupting activity, Cockrill decided to send an ultimatum to Gov. Winthrop Rockefeller demanding that he identify administration measures by the number.

These are the folks who volunteered to work in the Crippled Children's clinic held at the Hempstead County Health Center yesterday. From Howard County came Mrs. Elsie Miller and Mrs. Effie Jones, both of Nashville.

Others were Mrs. Max G. Kitchens, PHN, Prescott; Mrs. Delphine Lester, PHN, Lewisville; Mrs. Bob Turner, R.N., Mrs. Arch Wylie, Mrs. Pod Rogers, Mrs. Syd McMath, Mrs. Bernice Bain, Mrs. Martha Thompson, Mrs. Lee Still and the Rev. Walter White.

Examining clinicians were Dr. Charles G. Smith, Orthopedic Surgeon, Dr. Betty Lowe, Pediatrician and Dr. E. Oates, Dentist, all of Texarkana, and Mrs. Rubye Hinkle, Department of Public Welfare, Little Rock.

Related pictures will be published in Saturday's issue of the Star.

scanning bills.

"We're finding that some changes have been made in these bills by the members who agreed to sponsor them, and we're just not sure right now which ones are our bills," Elsie said.

Rockefeller then sent a letter to the House saying it was "impossible to immediately identify administration measures" but he resolved the dispute temporarily when he declared any unchanged bills as administration measures.

Burton then told the House in committee of the whole that the bill which started the dispute was indeed an administration measure and had Rockefeller's full support. The governor later confirmed this at a news conference.

Rep. Charles Davis of Springdale, who was arguing against the bill when the turmoil arose, said after hearing Rockefeller's message, "As I interpret that letter, it says absolutely nothing."

Davis later said he was "shocked and astounded" that the administration would permit in the call a bill that would "allow public money to be used to lobby against county reform."

Cockrill confirmed that two legislative aides to the governor, whom he did not identify, seemed unable to determine among themselves if it was an administration bill.

When Cockrill put the suggestion before the House, Crank said, "They are certainly a bunch of liars. If that's the way they want to play, let's get off all their bills."

Meanwhile, Sen. Dan Sprick of Little Rock asked for "a communication from the governor" as to which bills in the Senate were administration measures.

Sen. Oscar Alagood of Little Rock asked Lt. Gov. Maurice Britt the same question and Britt replied, "Some of the bills were put there at the request of others, not because the governor wants them."

## Mormon Guide Brings \$2,800

NEW YORK (AP) — A rare copy of a guide for Mormons who joined the California gold rush in the 1850s brought a top price of \$2,800 at a Parkersburg, West Virginia, book auction Wednesday.

The book, entitled "Mormon Way Bill to the Gold Mines," was published in Salt Lake City, Utah, in 1851, and was intended to guide Mormon gold-seekers to camping sites and water holes in the California gold mine area.

Only five of the volumes are believed in existence. The book was purchased by Warren Howell, a San Francisco book dealer.

vowed to "fight on until we have won final victory."

Trinh's peace proposal—which said the 1954 Geneva armistice agreements could be the subject of the talks—was made in an interview with a French news agency correspondent in Hanoi.

State Department officials in Washington immediately began studying Trinh's statement. The initial reaction was that there was no fundamental shift in position.

Trinh went a step further than he had in his previous two declarations when he said that the "relevant problems" to be discussed were "questions related to a settlement of the Vietnam problem on the basis of the 1954 Geneva agreements on Vietnam; there are also other questions which could be raised by either side."

Though he insisted that Hanoi's long-standing four-point and the Viet Cong's five-point conditions for settling the war still stand, he said their "spirit" was a U.S. troop withdrawal from Vietnam. He added that the points "conform to the fundamental principles and the main clauses" of the 1954 Geneva agreements.

va agreements.

Hanoi's willingness to use the Geneva pact as a basis for the peace conference suggested they had not consulted Peking on this point. The Red Chinese insist the agreements are dead and no longer applicable.

Giap said in referring to the Viet Cong strikes in the south "These brilliant victories marked a new and very important step in the development of our people's resistance against the U.S. imperialists for national salvation, and have taken our resistance to a new situation very favorable for our people and unfavorable for the U.S. aggressors. These resounding victories are vigorously stimulating the entire Vietnamese people from the South to the North to charge forward with still greater valor and determination and fight on until we have won final victory."

He made no reference to any possibility of peace talks.

It was the third time since early last year that Trinh had publicly expressed Hanoi's willingness to sit down with the Americans, if the bombing of North Vietnam's cities and military targets are halted.

The five largest states in area are Alaska, Texas, California, Montana and New Mexico.

## BANKRUPTCY from Page One

abuse. Threats to garnish salaries or to repossess furnishings often is the aforesaid.

Especially disturbing to Twinem is that many bankruptcies may be unnecessary.

"Studies conducted by universities have determined that from 25 per cent to 45 per cent of the people that filed petitions could have paid their debts out of future earnings," he says, "if they had been properly advised and so disposed."

This places much of the blame on legal advisers themselves, some of whom are unfamiliar with alternatives to straight bankruptcy, and on businessmen, who generally are felt to have a responsibility to educate their customers.

In Twinem's view, many people overloaded with bills would be better off seeking relief in Chapter 13 of the Bankruptcy Act. This enables a person to avoid bankruptcy by paying debts out of earnings over a three-year period.

However, it imposes a three-year supervisory obligation on the court's bankruptcy referee, whereas if he advises the petitioner to file for straight bankruptcy the matter is handled completely in a few weeks.

Merchants naturally like

Chapter 13 because they get some of their money back. But why should an individual want to pay his bills when he can be released from them? Obviously for personal reasons, of course.

Twinem offers a few more reasons for using Chapter 13: an individual obtains protection from creditors and assistance in prorating bills, he cannot lose equity in property whereas he might in straight bankruptcy, he can be released from burdensome contracts, he retains a much better credit record.

## No Candidates, Just Write-ins

CAUSEY, N.M. (AP) — The filing deadline for the March 3 election of municipal officers has passed and no one threw a hat in the ring. Village Clerk Mollie Parnell said an election will be held anyway to give voters a chance to write in names.

## Store Gained \$1 in a Holdup

ST. JOSEPH, Mo. (AP) — Police foiled a holdup Tuesday night at a supermarket. Two of the three bandits were shot and wounded by police and some \$3,000 scattered over the floor of the store and in a parking lot. Wednesday, after all of the money was gathered up, store Manager Jack Meredith said an accounting showed the store gained \$1.

**Minimum-Wage Law Damages Industry, Jobs, in Long Run**

In politics anyone presumptuous enough to question the good effects of federal wage-and-hour legislation would be brushed off as a prophet of doom; but this writer isn't in politics, defines a brush-off, and will spell out the issues of the day no matter how tough the wording.

No friendly spirit begrudges any person the right to the best kind of a deal he can make for himself. But compulsory wage-hour legislation is obviously a tool of the politicians to fashion votes for them, and politicians have an unbroken record of quickly forgetting what happens to any individual once they themselves are elected. The question the employed person might well ask himself is: Whom am I working for—a private house or the Government? Having answered that question he would then know where to look for security when the inflation bubble bursts... as all inflation bubbles eventually do.

The economic defect of federal wage legislation is that it compels periodic increases in the rate of pay without requiring any corresponding increase in production. Wealth is goods, not dollars—and all that compulsory wage hikes are doing is to debase the dollar, raising the cost of living as the supply of paper dollars outruns the production of goods.

Proof that the dollar is being debased lies in the record of periodic wage advances: The federal wage minimum started off at 75c an hour and has marched upward to last month's \$1.60 an hour. Not all businesses and workers are covered by the law, but this, too, is absurd. For the cheapened dollar has boosted prices even more than wages, and so some classes of workers stand abandoned by the conspiring politicians.

Big Government, like Big Labor, prefers to deal only with Big Business. That's where the political loot is. But the effect of this conspiracy is to gradually kill off the small enterprises of America.

I investigated a small manufacturing plant this week and came away with a discouraging report on what has happened to it under the impact of a long series of federally ordered pay increases.

Formerly this small industry had a thriving business and 50 employees. Manufacturing was mainly by handcraft. But hard times have come upon this plant, and all it can afford to maintain today is 20 employees. Perhaps the only reason it hasn't closed down entirely is the fact that two automatic machines have been introduced to replace handcraft.

Sure, the pay is better—but now there are only 20 men where once there were 50. This sort of thing doesn't build a town, state, or nation.

The federal politicians remind me of the shopworn definition of a Specialist:

"A Specialist is a guy who knows more and more about less and less—until finally he knows everything about nothing."

## Puts Halt to More Excavations

LITTLE ROCK, Ark. (AP) — Gov. Winthrop Rockefeller said Thursday that excavation for graves of convicts whom prison inmates said were murdered and secretly buried would cease until he is assured such excavation is legal.

Rockefeller said Thursday he had asked the state police to check the legal aspects of exhumation and report their findings to him.

The State Penitentiary Board had given Prison Supt. Thomas O. Merton the authority to dig at will and Merton had planned to resume digging at Cummins Prison Farm next week.

## Defensive Driving Course for Highway Employees

TROOPER JIM WOOTEN

TROOPER RAY DAVIS

All employees of the Arkansas Highway Department are to receive a course in Defensive Driving. The course is being taught by Arkansas State Troopers Jim Wooten, District 3 Safety Officer, and Ray Davis, District 5 Safety Officer. Also present is Frank L. O'Donnell, assistant safety officer for the Arkansas Highway Department.

Personnel of District 3 are taking the course which is now in progress. Facilities of the Red River Vocational Technical School are being used for the training. District 3 is composed of Hempstead, Howard, Lafayette, Little River, Miller, Nevada, Pike and Sevier counties.

The above scenes show employees getting instruction Friday. The course runs eight hours and it deals with techniques to use in being a defensive driver. The basic formula for Defensive Driving is see the hazard, know the defense and react in time. Each of the eight sessions

deals with the proper following distance, how to pass, how to go through an intersection and the responsibility you have to the car following. The course goes into the defensive action to take to avoid an accident in any of the above situations and also when being passed by a car or when meeting a car approaching from the opposite direction. These are the six positions another vehicle can take in relation to your vehicle that could involve you in an accident.

Completion date for the course being instructed is March 15. By this date all 3500 employees of the Highway Department will have had the course.

The Arkansas State Police is the only State Police in the United States that has had every member complete the Defensive Driving course. To our knowledge Arkansas Highway Department will be the only Highway Department in the country to have had this in its entirety with instructors furnished by a State Police Organization.

This is a joint effort by the Highway Department, and the State Police to reduce death and injury on our State Highways. It will undoubtedly save the tax payers of the state money.

This is a standardized course, developed by the National Safety Council, on Defensive Driving.

**Rockwell's Slayer Is Free on Bond**

ARLINGTON, Va. (AP) — John Patter, convicted of first-degree murder in the shooting death last Aug. 25 of American Nazi party leader George Lincoln Rockwell, is free on bond pending an effort to overturn the conviction.

Patter, 30, had been in jail since his arrest shortly after Rockwell was slain at a shopping center near the rundown estate he used as party headquarters.

A hearing is scheduled for Feb. 23 on a defense motion to set aside the Arlington Circuit Court jury verdict. Patter's attorneys said if the motion is denied, they will appeal.

**Student Dies in Accident**

STARKVILLE, Miss. (AP) — A Mississippi State University student from Pine Bluff, Ark., John William Bohmert, was killed here Thursday in a one-car crash near the university campus.

The Highway Patrol said Bohmert was the driver of a car which went out of control, crashed into a utility pole and two trees. Authorities said a passenger in the car was seriously injured.

## Police Kill 3 Rioting Students

By KENT KRELL  
Associated Press Writer

ORANGEBURG, S. C. (AP) — Negro students exchanged gunfire with police Thursday night in the fourth night of violence on two adjacent college campuses. Three Negro teenagers were killed and more than 40 persons wounded.

The shooting incidents came during a drive by students from the two predominantly Negro schools to break the segregation barrier at the All-Star Bowling lanes.

Henry Smith, 18, a student at South Carolina State College, died several hours after a barrage of gunfire broke out between students and police on a small slope bordering the State campus along U.S. 601. One student was reported in critical condition.

Sam Hammon, 18, was killed in the shooting and Delano Middleton, 17, an Orangeburg high school student, died about an hour later.

Chief J.P. Strom of the state law enforcement division said Cleveland Sellers, 25, South Carolina coordinator for the Student Nonviolent Coordinating Committee (SNCC), was arrested and charged with inciting to riot and placed under \$50,000 bond. Sellers was hit in the left arm by a shotgun pellet during the fray but was not seriously wounded. After questioning by Orangeburg police, Sellers was taken to the state penitentiary.

## Paratroops Rout Diehard Cong Force

By GEORGE ESPER  
Associated Press Writer

SAIGON (AP) — Helicopters landed U.S. troops on Saigon's racetrack today to help rout out diehard Viet Cong forces as the North Vietnamese increased pressure against Da Nang and more Communist tanks were reported sighted near Khe Sanh.

Heavy fighting was reported across South Vietnam's northern sector, with 321 Communists and 87 U.S. troops killed Thursday, most of them in battles around Khe Sanh and Da Nang and in Hue. Another 170 Americans were wounded.

Troops from the U.S. 199th Light Infantry Brigade were landed in the center of the Saigon racetrack and quickly took up positions to bolster South Vietnamese forces having slow going blasting the Reds out of Cholon, the Chinese quarter and adjoining areas on the southwest side of Saigon.

Thursday night the Viet Cong burned down a block of homes just south of the track. The region had been declared pacified two days ago, but the Viet Cong either surfaced from hiding or slipped back into the city. A Viet Cong battalion is reported to control 20 blocks east and south of the race course.

It was the third time American troops have been used in the battle of Saigon that began last Wednesday. Paratroops of the 101st Airborne Division were helicoptered onto the roof of the U.S. Embassy when Red commandos invaded the embassy grounds Jan. 31. Two days later an armored column of the 25th Infantry Division helped clear out Viet Cong forces from the racetrack area.

Elsewhere below the northern provinces, the big Communist offensive against the cities launched 10 days ago appeared tapering off. But the U.S. Marines and South Vietnamese forces were still battling doggedly in Hue, the old imperial capital in the north, and fighting drew closer to Da Nang, South Vietnam's second largest city and the nerve center for Allied operations in the northern provinces.

An indication of the gravity with which the U.S. Command viewed the situation in the north was a decision to send Gen. Creighton D. Abrams, deputy U.S. commander in Vietnam, to take personal charge. Informed military sources said Abrams would set up his headquarters in Phu Bai, north of Da Nang.

No major enemy activity was reported today in the Khe Sanh area, where U.S. commanders expect the biggest North Vietnamese push of the war in an attempt to seize South Vietnam's two northernmost provinces. But the U.S. Command in a delayed report told of the sighting Thursday of more North Vietnamese tanks, which made their first appearance in the war in the capture of the Lang Vei Special Forces camp west of Khe Sanh Wednesday.

## Hopes Action on Davis to Be Speeded

LITTLE ROCK (AP) — Gov. Winthrop Rockefeller said Thursday that the resignation of State Police Director Carl Miller will help him get a bill to requalify Lynn A. Davis for the job through the legislature.

Rockefeller said the opposition to the Davis bill stemmed from a belief among some legislators that Miller was doing a good job and could stay on indefinitely.

Miller, 59, wrote Rockefeller Thursday that he wanted to retire no later than March 1 to go into other work.

Rockefeller reiterated at a news conference that he would not compromise on the Davis bill which has been amended in the House to keep Davis ineligible until mid-July.

Existing law requires that the police director have been a resident of Arkansas for 10 years prior to his appointment. The amended bill sets a requirement that he be a qualified elector, which means one year's residency.
